MOUNT AMANZI

Mount Amanzi

## Dear Shareholder

Even though the year is coming to an end, we are still very busy improving the resort to ensure that you, our guests, have the most memorable experience. From upgrading the units to contributing to conservation, we are dedicated to upholding the quality standard of our Silver Crown status.

## Resort Refurbishment

**We are proud to inform you that there have been many improvements made to Mount Amanzi over the last year, with many still being made.**

The library is now open in The Old Kitchen coffee bar where guests can enjoy reading a book while sipping a hot cup of coffee. To add to the family entertainment there is a newly built giant naughts and crosses game as well as the very popular air hockey table which is enjoyed by all ages.

The mobile mini pizza oven has recently been added to the food and beverage services offered to guests laying around the pool deck. Our assortment of mini pizza's and waffles grow in popularity every weekend as they are the perfect size to fill up empty tummies. We also offer a wide selection of bigger pizza's in The Old Kitchen Restaurant. These pizza's are definitely a favourite with guests at the moment.

A snack bar has recently been added to the Mini Market where we sell home baked treats from our own Restaurant Kitchen. These treats include fudge, rusks, biscuits, coconut ice and much more. From the snack bar we also offer a variety of hot beverages, milkshakes, sandwiches, pies and home baked muffins. Don't forget the slush puppy and soft serve ice creams which are well-loved by our younger guests.

To offer our guests the finest quality vacation, we are upgrading our chalets with new linen, curtains, bed throws and paintings. The stoves are being replaced and we are already more than halfway! Soundproofing has been completed on all chalets. Soon guests will be able to braai in style as all our braai areas are in the process of being tiled. For the luxury lovers we have added new leather tub chairs, ottomans and two-seater couches to all units.

To make every bride's dream wedding come true, our Wedding Chapel area has undergone refurbishments. The chapel roof has been changed from thatch to Harvey tiles and the entrance has been enlarged. Around the chapel, the gardens have been beautifully landscaped, making it perfect for photos. Inside the chapel a stunning new podium and cross have been built by our own maintenance team! For our guests convenience, the ablutions have been refurbished.

## Going Green

*In the spirit of going green all our cleaning products are being made on-site with our Ecolyte system. We have also created our own recycling site to store and process all the waste collected from strategically placed recycle bins.*

## Thank You!

*We would like to take this opportunity to thank our shareholders for their ongoing loyalty and support and for their kind cooperation and understanding during the refurbishment process.*

We know that refurbishment related activities have sometimes been disruptive to our guests and there have been periods when certain facilities were, by necessity, out of commission. You have been most gracious and we are sure that you will agree that the results are proving to be well worth any inconvenience that may have been, or may still be, caused in the process.

## We look forward to seeing you soon

*We would like to urge our members that have not visited the resort recently to do so.*

Your Mount Amanzi shareholding means that you are part-owner of something really special and truly unique. Nothing would make us happier than having each member here in person in the coming year, enjoying the benefits of your holiday and reconnecting with everything that makes Mount Amanzi so extraordinary.

## In closing

*As the year draws swiftly to a close, we would like to wish our members a peaceful and happy end to what we trust has been a rewarding year and an uplifting and inspiring start to an exceptional new year.*

Warm regards

*Marjorie Forssman*
