Dear Shareholder
What an amazing first half of 2015 it has been for Mount Amanzi. We have been busy planning and working to make your Mount Amanzi holiday even more unforgettable. We are excited to share with you our awards, achievements and developments; we can't wait to see what the rest of the year will bring.

Reception

BRAGGING RIGHTS

Mount Amanzi was awarded RCI Silver Crown status at the 27th Annual RCI OSCAS Gala Awards. The OSCAS are among the most prestigious in the holiday ownership industry and Silver Crown is the second highest RCI rating a resort could receive. We are very proud of this achievement and look forward to what the rest of the year will bring.

WHAT'S NEW?

Honeymoon Chalet

We want your Mount Amanzi getaway to be exceptional, for that reason we have been working on chalet as well as resort refurbishments. Microwave plate covers, paintings, bed throws, curtain rails, curtains and new white duvets and pillows have been added in all units.

To improve privacy, soundproofing of the units has been completed and soundproofing of the patios is nearly complete. New stove installations and tiling of the braai patios are in the process of being completed.

The volleyball court has been moved to a more shady area and the mini golf course will be moved closer to the games room. Tennis courts have been repainted and the nets have been replaced.

As the herb garden has been doing so well we have started a vegetable garden as well. A water feature has been added to the main entrance at the road.

With the addition of a new pizza oven and a selection of pizzas on the menu, every day is pizza day. We have introduced a takeaway delivery menu, offering you the option of being served at your unit.

The honeymoon suite has been refurbished and now includes a beautiful dressing area for the bride.

The security upgrades have been completed, new cameras have been added along the fence and are monitored 24/7. The fences have been upgraded and additional lighting added. Palisade gates have been erected and access may only be gained through remote access by the security guard.
